Colombia Tolima

Kenya AB+

Lekker Huis Dark Blend

Lekker Huis Medium Blend

This single origin Colombian is made from 100% Arabica specialty coffee locally roasted in small batches to ensure freshness and quality.

This Fair Trade Organic coffee from ASEMPROGROPE Cooperative of small producers in the mountains of Planadas, a small municipality of the Tolima region in Colombia. This lot is a dedicated high elevation lot that only includes farms from 1600M or higher, varieties harvested include Caturra, Castillo, and Colombia. A light roast will provide ample bright notes including apple, raspberry and peach. The medium and darker profiles will give you classic Colombian notes of cocoa, chocolate, with some subtle fruit notes as it cools. Great for drip or French press or espresso.

Enjoy, and thank you for your purchase!

ADD Coffee Inc. Edmonton, AB.
info@addcoffee.ca, 780-916-5126

This single origin Kenyan is 100% Arabica specialty coffee, locally roasted in small batches to ensure freshness and quality. This coffee was grown at 1600 to 1700 masl. Varietal is SL-28 which was double washed and sun dried on raised beds then hand sorted. This coffee lot is the kind of Kenya we look for, with rare bright fruit notes and an excellent finish. The light roast will present lemon and melon notes, with a sweet bright acidity, and juicy body. The medium and darker roasts make a smooth rich cup with notes of caramel, semi-sweet chocolate, and subtle stone fruit notes as it cools. Great for any brewing method, including espresso shots, but for milk based drinks a medium to darker roast is best. This coffee is ethically sourced and fairly traded.

Enjoy, and thank you for your purchase!
